

Thanksgiving 2009 buy 1 get 1 free sale! We are listing only the plants not included in our special. Everything else is on sale.

Free plants can be the same variety or other plants of equal or lesser value. Some varieties are very limited! That translates to only one available for sale. When that one is gone the cultivar will be listed as sold out. With those varieties the free plant will obviously have to be a different variety. You are strongly advised to contact me by e-mail or phone prior to placing your order. I will do my very best to keep this listing updated on a weekly (or more frequent) basis. No bonus plants with this sale!

This sale will end on November 30, 2009. All plants must be shipped or picked up by that date. For plants that will be shipped, remember our normal shipping charges apply. For example if you buy 2 plants and get 2 free, your shipping charges will be \$11.00 (\$10.00 base shipping charge for up to 2 plants and \$.50 for each additional plant over 2) for folks east of the Mississippi and \$14.00 (\$10.00 base shipping charge for up to 2 plants and \$.50 for each additional plant over 2, plus a \$3.00 surcharge) for folks west of the Mississippi.

We've got to at least break even this year so we're doing everything that we can to make it happen.
